Update on the Way . . . Hurry up and wait!

## Hurry Up & Wait!

What a journey this has been. It started just over four years ago with a thought. “What if we put Steps to Christ to film?” Then came the questions . . . How would we present it? Would we use every chapter, every word? Would it be different people presenting different chapters - like a mini bible study? What would be our point of difference? Who are we trying to reach? Well, after years of earnest prayer, meticulous planning and careful writing, the Lord revealed His plan. **Steps to Christ is to be produced as a mini series.** A storyline (or screenplay) to illustrate the content, using every word from every chapter. Set in the late 1800’s with majestic backdrops, the splendour of each scene will embrace and enhance the beauty of this powerful little book.

Many have said there's no storyline in this book . . . it's not been written that way . . . how are you going to make a mini series out of it? I had to laugh as I thought the exact same thing UNTIL the Lord started to show me that Steps to Christ is actually very much a story - HIS story of how He reaches every single one of us.

From that point on, the Lord began to reveal the most beautiful screenplay - a series of true stories that I have no doubt will reach millions of people for His Kingdom and His Glory!

To the best of our ability we pressed forward in faith. The screenplay was complete . . . the promotional/fundraiser video was released . . . our producer cleared his schedule ready to be engaged full time on this important production. I anticipated everything we had been planning would just fall into place . . .

then . . . nothing. Nothing! Nothing Lord? In the words of our producer, we 'Hurry up and wait!'

Wait? But Lord, we're so close to going to camera - time is so short and this is a huge production, we don't have time to wait . . . do we?

So he answered and said to me: "This is the word of the LORD to Zerubbabel: 'Not by might nor by power, but by My Spirit,' Says the LORD of hosts. Zechariah 4:6

WOW Lord! This is the answer I needed to hear. The Lord has made it clear to us He is going to see this project through. In fact, can I encourage you to read the whole chapter of Zechariah 4. It's not a long chapter but immensely powerful - such a blessing and a beautiful study. God Almighty is working through His Holy Spirit. He has shown us time and again His timing is always perfect.

Beloved, what I have learned over this journey is that it's not by my might, nor by my power that this project is taking place. No - my glory is laid in the dust (and by His grace it remains there)- it's purely by HIS Spirit. He has been the one working on hearts and minds the world over, impressing on His people the needs required for such a project as this, for such a time as this.

Our greatest need right now is earnest, fervent prayer. We need to be on our knees and partitioning our Father in Heaven to wake His church, arouse His people from slumber. It's time to let Him in - He's standing at the door of our hearts waiting and wanting to enter. He wants us to partake of His divine nature and He wants to finish the work He started and take us home. It's time to be fully surrendered, it's time to use our gifts and means for His work. **It's time!**

I want to see the power of His Spirit work in mighty ways. I want to see the beauty of Holiness in all of us, daily.

So what's the next step? Our producer needs to put the final touches on the screenplay . . . we need to engage the casting director and choose the actors and actresses . . . liaise with the set director and set designer . . . finalize production equipment . . . and many other tasks required for such a large production. The overall budget is around \$10 million USD. Yes, it's massive! But God has assured us He will provide. He has a thousand ways to provide of which we know not. He owns all the silver and gold and all the cattle on a thousand hills. This is not too hard for God. He has promised and we trust Him! Now is not the time to stand back - its time to move forward!

Our urgent funding need by the end of this month is \$150K USD.

If you would like to contribute a little or a lot, whether it be finance or prayer, we would be so very grateful. We are humbled that God has chosen us to be part of this last day message that will go to all the world. This little book Steps to Christ is about to make a massive impact in the lives of millions of people everywhere. Will you be a part of this end time message?

In His Service
